

It is with great joy and enthusiasm that we welcome you. Our faith community is a loving place where you can meet Christ through fellowship, service, worship and love.

Please know we value you being a part of our family. At Grace Lutheran you will find friends, healing, joy and lots of activities – all focused on Jesus Christ!

We encourage you to “get involved” here at Grace because, as in all things...you only get out of life what you give to it. You will be amazed at the difference involvement in our church community will make in your life.

Our faith community and our greatest resource – the wonderful and generous people who gather here at Grace – do not just go to church, but to 'do' church together!
